Transition and Toddler room - 12 plastic Easter eggs.  
2, 3, and 4 Year olds - 12 plastic Easter eggs with a piece of wrapped candy inside. The Easter egg hunt will begin at 10:00 am. Parents are more than welcome to come join in the fun and take pictures! Thank you for your cooperation.

## April Themes

- Week 1: Farm
- Week 2: Frogs
- Week 3 Butterflies
- Week 4: Mice

## Labeling

Please label clothing and personal items when bringing them to daycare. When things get dirty or wet from being outside, during meal time, art time, or from accidents, we wash clothing and return clean items to cubbies. Having names on clothing helps us to make sure we return the items to their rightful owners.

## Parent sign in sheet

Now that we are outside more often in the afternoon, if you pick your child up and we are on the playground, please remember to sign them out on the front hall table inside. We must have documentation of students' names and times that they were in our building according to state law.

## Outside Play

Please send your children with appropriate shoes and coats for playing on the playground. We will be going outside daily now that the weather will be warming up.

## Fundraiser

Now is the time for spring cleaning and we are asking that you donate all your old (working or broken) cell phones, digital cameras, radar detectors, laptop computers, digital video cameras, electronic book readers, inkjet cartridges, handheld game systems, gold, silver, platinum jewelry, MP3 players, and GPS devices. Ask your neighbors, friends, relatives, and even your place of employment (especially for empty inkjet cartridges). This is an easy way to help us raise money for new equipment and toys for our classrooms. There will be a box in the front hallway for you to drop off your items. No selling candy or items, just asking to help take some unwanted items off your hands!
