Vision Screenings

If you are interested in having your child's vision screened for free by the *Kentucky Lions Kids Sight Organization*, please fill out the forms in the front hall on the desk. We have done this in the past and it has been very beneficial. They will simply take a picture of your child from the nose up. (They can sit on their teacher's lap for the picture.) Any abnormalities will be detected and parents will receive the results in an envelope about a month later. Our screenings will be held on Tuesday, June 11th beginning at 9am. Only those children who have the paperwork filled out will have the screening performed. The permission slips are next to the sign in sheet in the front hall.

Extra Change of Clothes

If you have not sent in a change of clothes or two for this season, please do so in a large, labeled, ziplock bag.
