Parking Lot Safety

We would like to ask that when you are picking up your child from the playground to use our **HAND TO HAND** dismissal. Your child's teacher will not just open the gate for your child to meet you, they will hold your child's hand until you safely grasp your child's hand to take them home. Our parking lot can get busy and we don't want children to run out into the parking lot. Remember to stop your car at our stop sign when entering our parking lot as well, please.

iPad Pick Up

Just a reminder that if you haven't picked up your free iPad from the Fayette County Public Schools Early Childhood Learning Plan iPad initiative, please contact Ms. Erin to do so.

Sunscreen

Please send in **SPRAY** sunscreen with your child's name on it in a large ziplock bag with their name on the bag as well. There are sunscreen permission slips on the front desk that must accompany each bottle of sunscreen as it is considered a medication. We will store all the sunscreen in a secure lock box and apply it before we go out onto the playground. Please apply sunscreen each morning before you drop your child/children off then we will reapply each afternoon only.

Picture Day

Pictures will be taken Tuesday, May 28th and Wednesday May 29th. Be sure your little ones wear something you would like photographed. We will send out the list of which classrooms will be scheduled which day closer to May.
