Just a reminder that when your child gets their updated immunizations, please bring us a copy, fax us a copy at 859-231-0966, or email us a copy at [erin.green@jessamine.kyschools.us](mailto:erin.green@jessamine.kyschools.us). Make sure the date is filled out which states "this child is current for immunizations until --/--/--".

## Picture Day

Pictures will be taken Tuesday, May 28<sup>h</sup> and Wednesday May 29<sup>h</sup>. Be sure your little ones wear something you would like photographed.

## Sign-In Sheet

It is very important that you write the time of **drop off** and initial under it and then write the time of **pick up** and initial under it **EACH DAY** and **SIGN YOUR FULL NAME ON FRIDAYS** on our sign in sheet in the front hall. This is a document regulated by the state. If you receive state funding but didn't sign you are responsible for the full payment. In an emergency, this is how we know who is in our building so we can account for each child during an evacuation.

## Summer

Please be patient with us as we train several new teachers. The college semester has ended and we are excited for some new staff for summer.

Thank you!
