Parking Lot Safety

We would like to ask that when you are picking up your child from the playground to use our HAND TO HAND dismissal. Your child's teacher will not just open the gate for your child to meet you, they will hold your child's hand until you safely grasp your child's hand to take them home. Our parking lot can get busy and we don't want children to run out into the parking lot. **Remember to stop your car at our stop sign** when entering our parking lot as well, please.

Easter Egg Hunt

We are excited to have our annual Easter Egg Hunt on Friday, April 3rd for the 2, 3, 4, and 5 year olds. Please send in a dozen plastic eggs filled with an individually wrapped piece of candy, sticker, etc.(NO PEANUTS) For the toddlers, please just send a dozen empty plastic eggs. Infants will not participate but we will have some eggs for them to play with in their classroom.

Sunscreen

Please send in SPRAY sunscreen with your child's name on it in a large ziplock bag with their name on the bag as well. There are sunscreen permission slips on the counter in the front hall that must accompany each bottle of sunscreen as it is considered a medication. We will store all the sunscreen in a secure lock box and apply it before we go out onto the playground each afternoon. Please apply sunscreen each morning before you drop your child/children off then we will reapply each afternoon only. You will receive notification of application of sunscreen through Procure.

Picture Day

Pictures will be taken Thursday, May 28th and Friday May 29th. Be sure your little ones wear something you would like photographed. We will send out the list of which classrooms will be scheduled which day closer to May.
