Procure diaper messages

If you are receiving Procure messages regarding diapers, it is because we have to document when medication is administered. Diaper cream is considered medication so some teachers are using paper documentation and some are using Procure.

Daylight Savings

Remember to set your clocks ahead on Saturday night, March 7th before you go to bed. You will lose an hour of sleep, but gain an hour of sunlight. More time to get outside with the kids after work!

Storytime To Go

We are looking forward to welcoming Ms. Kelsey from the Lexington Public Library Storytime To Go program the first Thursday of each month in the mornings to our three, four, and pre-k classrooms. Your child's teacher will remain present in the classroom and assist the children with listening, singing, and engaging in an art activity.

**The first day of spring is on
Friday, March 20th!**

**Remember to wear green on
Tuesday, March 17th for
St. Patrick's Day!**
